

Sponsor the Bike Coalition Today!

The San Diego County Bicycle Coalition advocates for and protects the rights of all people who ride bicycles. We promote bicycling as a mainstream, safe, and enjoyable form of transportation and recreation.

We work for better bicycling access and infrastructure, provide education programs for youth and adults who want to ride and encourage public officials, regional partners and advocates to join us in making San Diego County the most bike-friendly region in the nation.

Join us today!

As a Sponsor You:

- ⌆ Support the Coalition's work to make San Diego County the most bike friendly region in the nation.
- ⌆ Connect your business to people who care about their health and the health of our local economy and the environment.
- ⌆ Recognize the benefits of bicycling for your employees, customers, your local economy, and your community.
