BIKE COALITION

SAN DIEGO COUNTY

LIFE BY BIKE

Our Mission

Advocate. Educate. Celebrate!

The San Diego County Bicycle Coalition advocates for and protects the rights of all people who ride bicycles. We promote bicycling as a mainstream, safe, and enjoyable form of transportation and recreation. Since 1987 we have been working to improve bicycling by:

Advocating:

- Standing up for bike riders and advocating for safe and more convenient bike routes
- Supporting state, local and federal policies and laws that improve cycling
- Working with transit services to ensure multi-modal transit options
- Encouraging SANDAG to allocate funds for regional transportation projects

Educating:

- Offering bicycle rodeos, rides and resources to encourage better cycling to schools, businesses, and community groups
- Smart Cycling Courses for cyclists, motorists and law enforcement personnel
- Empowering people to use bicycles as a safe, sustainable and convenient mode of transportation

Celebrating:

- Coordinating Open Streets events throughout San Diego County
- Engaging with and encouraging Bike Walk groups
- Bike the Bay, Joy Ride, Women's Ride, CicloSDias, Gordy's Ride, Bike Month Kickoff Party & Celebration and more!
