

SDCBC April - June 2020 Progress Report

Advocate

- Worked to promote the “**Slow Streets**” program to create safe shared spaces allowing residents to get around their neighborhoods for essential travel.
- Represent cycling interests on the City of San Diego Mobility Board and the Caltrans Bicyclists and Pedestrian Advisory Committee.
- Worked with SD city on “**Complete Communities: Mobility Choices**” plans.
- Started a Bikeway Maintenance Campaign for bikeway maintenance with cities.
- Worked on “**Cardiff Cycletrack Project**” to increase safety for all.
- Continued work on the “**Downtown Mobility Plan**”.
- Worked to secure a \$200 million initiative to expand the bike network countywide, and supporting project development.
- Worked with advocates to ensure that bike shops were considered essential businesses during Covid-19.
- Advocated to City Council that the Mayor’s budget include funding for bikeway maintenance and support the Mobility Board.
- The SDCBC is spearheading a campaign to repurpose an unused City building into a Family Bicycle Center at Liberty Station.

Educate

- Hosted a virtual seminar/workshop with city engineers on designing bicycle infrastructure.
- Taught “**Smart Cycling**” classes virtually.

- Produced & sent cities a **“Recommendations for Active Transportation Actions as COVID-19 Response”**.
- Presented **“Basic Bike Skills”** classes.
- Presented **“Bicycle Friendly Driver”** classes.
- Presented **“Bike Commuter Basics”** classes.
- Presented **“Bike Painting”** classes.
